2. Fee: The fee for the inspection service is \$ and is based on a single visit to the property. The inspection is not technically exhaustive. The fee charged for this inspection is substantially less than that of a technically exhaustive inspection.

3. Purpose: The purpose of the inspection is to attempt to detect the presence of mold by performing a visual inspection of the property and collecting samples to be analyzed by a laboratory.

4. Scope: The scope of the inspection is limited to the readily accessible areas of the property and is based on the condition of the property at the precise time and date of the inspection and on the laboratory analysis of the samples collected. Mold can exist in inaccessible areas such as behind walls and under carpeting. Furthermore, mold grows. As such, the report is not a guarantee that mold does or does not exist. The report is only indicative of the presence or absence of mold. As a courtesy Cal Certified Inspections may point out conditions that contribute to mold growth but such comments are not part of the bargained for report.

5. Report: The CLIENT will be provided with a written report of Cal Certified Inspections' visual observations and copies of the results of the laboratory analysis of the samples collected. Cal Certified Inspections is not able to determine the extent or type of microbial contamination from visual observations alone. The report will be issued only after the laboratory analysis is completed. The report is not intended to comply with any legal obligations to disclosure.

6. Exclusivity: The report is intended for the sole, confidential and exclusive use and benefit of the CLIENT and Cal Certified Inspections has no obligation or duty to any other party. Cal Certified Inspections accepts no responsibility

for use by third parties. There are no third party beneficiaries to this agreement. This Agreement is not transferable or assignable. Notwithstanding the foregoing, the CLIENT understands that Cal Certified Inspections may notify the homeowner, occupant, or appropriate public agency of any condition(s) discovered that may pose a safety or health concern.

7. Limitation of Liability: It is understood Cal Certified Inspections and the laboratory are not insurers and that the inspection, laboratory analysis and report shall not be construed as a guarantee or warranty of any kind. The CLIENT agrees to hold Cal Certified Inspections and their respective officers, agents and employees harmless from and against any and all liabilities, demands, claims, and expenses incident thereto for injuries to persons and for loss of, damage to, destruction of property, cost of repairing or replacing, or consequential damage arising out of or in connection with this inspection.

8. Limitations Period: Any legal action arising out of this Agreement or its subject matter must be commenced within one year from the date of the inspection or it shall be forever barred. The CLIENT understands that this limitation period may be shorter than the statute of limitations that would otherwise apply.

9. Litigation: The parties agree that any litigation arising out of this Agreement shall be filed only in the Court having jurisdiction in the County in which Cal Certified Inspections has its principal place of business. If Cal Certified Inspections is the substantially prevailing party in any such litigation, the CLIENT shall pay all legal costs, expenses and attorney's fees of the Cal Certified Inspections in defending said claims. The CLIENT further agrees that the International Association of Certified Home Inspectors, Inc. ("Association") is not a party to this Agreement, and any action against it or its officers, agents or employees allegedly arising out of this Agreement or Cal Certified Inspections' relationship with the Association must be brought only in the District Court of Boulder County, Colorado. If the Association substantially prevails in any such action, the CLIENT shall pay all legal costs, expenses and attorney's fees of the Association in defending said claims.

10. Severability: If any court having jurisdiction declares any provision of this Agreement to be invalid or unenforceable, the remaining provisions will remain in effect.

11. Entire Agreement: This Agreement represents the entire agreement between the PARTIES. No statement or promise made by Cal Certified Inspections or its respective officers, agents or employees shall be binding.

CLIENT has carefully read the foregoing, understands it, and voluntarily agrees to it.
